

Tummy Taming Treats

a recipe by *The Norfolk Nibbles Treat Boutique*™

 Yield ca. 72 cookies*

 30 minutes**

ingredients

1 tsp fresh ginger, grated
1 tbsp powdered carob
1/4 cup organic honey
1/2 cup organic plain yogurt
1/2 cup water
1 cup organic **pure** pumpkin

*****Always read the ingredients on the package to ensure that they are safe for fur-kid consumption!**

*Yield depends the size of trays used.

**Time will vary depending on the size of trays used and dexterity of the baker ;)

***Be certain to use **pure** pumpkin and not the kind already spiced for pie filling. The ingredients list will show only pumpkin (and perhaps water) listed.

***Carob is doggy-safe chocolate.

directions

1. In a large mixing bowl, combine the ingredients.
2. Mix well to combine thoroughly.
3. Spoon mixture into ice cube trays.
4. Place in freezer.

**Hint: Don't have fancy trays or spare ice cube trays? You can always just pipe the ingredients on to a baking sheet lined with parchment. Don't have an actual piping bag and attachments, you can just snip the corner of a zip lock bag.*
