

Father God,

We live in a world today that tests our resolve and integrity constantly. Help us to move through our days in ways that honour You and allow us to live honestly. Lord, give us the insight to know when we've made a mistake and the courage to admit it. Help us to take responsibility for our mistakes and grow in wisdom by doing so. Remind us that, while mistakes will be part of Your plan, we must look up to You for guidance, remembering Your instructions to live in love and extend forgiveness, even to those whose mistakes have hurt us. We remain deeply grateful, Lord, that through Your grace and mercy alone, we are forgiven.

*In Your Name We Pray,
Amen*
